LED COMFO® Waterproof (General Edition)

LED COMFO® Waterproof series is a robust luminaire suitable for humid and dusty environments. LED technology offers excellent energy-saving comparing to traditional fluorescent tubes. LED COMFO® Waterproof series is an ideal choice to replace conventional waterproof.

Advantages & Benefits

Unique prismatic lens

- 4 wattage ranges
- Lumen output from 2,500lm to 8,400lm
- Color temperature
3000K/4000K/5700K/6500K
- ON/OFF and DALI version

Robust and reliable

- 50,000hrs lifetime
- IP65, IK08 rated

Safe and efficient

- System efficacy up to 140lm/W
- Durable dual extrusion PC

Applications

- Factories
- Warehouse
- Underpasses
- Car parks
