

## Americas Annex: Product List & Warranty Periods

The warranty periods for Traxon and e:cue products are listed in the tables below.

Please note that the 3-year-warranty or 5-year-warranty only apply for Traxon & e:cue standard products. Products that have been changed according to customers' demands ("customized" products) are excluded from the stated warranty periods on this list.

\* The product is defined as suitable for Coastal Environment

\*\* Discontinued Product
